Believe you know about the att but didn't receive cy of memo to [redacted] STAT

Talked to [redacted] this STAT

date. He was not aware of the error in the DOD ISM. He was unhappy his people didn't inform him after we pointed out the error. He added that he was not pleased with several other aspects of the ISM too.

At [redacted] suggestion, I asked STAT

[redacted] to mention this at the Forum. STAT

He said he would and he'd write memo to DIS requesting them to issue a correction or retraction in a bulletin to all hands. I pointed out liklihood that contractors would note the error and call their cognizant gov't security officials. He agreed.
